		2	3	80	24	56		
	Rai	monds Kal	ējs					
Course Author/ Tutor:	Gue	est lecturer,	Mg.Art					
Course Author/ Tutor:	e-m	ail: <u>raimond</u>	ls.kalejs@gn	nail.com				
	Con	sultation: ac	ccording to t	he schedule for eac	th semester			
Study Form:	Full	Full time studies						
Study year, semester:		Year 1, Semester 1						
Language:	Eng							
<b>Prerequisites for the Course:</b>		iness basics						
Course Summary:				-	of advertisement of pro			
Journal of the state of the sta			necessary b	asic skills how pra	ctically to build ads an	d commercials.		
Assessment:	Test							
	- Gained a positive assessment (at least 4 points) in the score;							
	- If the student does not fulfill the conditions for obtaining a positive assessment, the							
	next time the course must be redeployed in full;							
	- The final practical task will be evaluated in the 10-point system, taking into account the							
	following criteria:							
	brilliant (10) - knowledge, skills and competence exceed the requirements specified in							
	the task; Excellent (9) - knowledge, skills and competences fully meet the requirements set out in							
	Excellent (9) - knowledge, skills and competences fully meet the requirements set out in the task;							
	very good (8) - the requirements of the task are completely fulfilled; however, in some							
	issues there is not enough deep understanding to use knowledge independently to solve							
	more complex problems;							
Requirements for Credits:	well (7) - the requirements of the task are generally fulfilled, but sometimes it is found to							
	be inadequate to use the acquired knowledge independently;							
	Almost well (6) - the requirements of the task are fulfilled, however, at the same time, an							
	insufficient understanding of the deep problem and inability to use the acquired							
	knowledge are detected;							
	Mediocre (5) - In general, the requirements for the task have been met, however, there is							
	insufficient knowledge of some problems and lack of skills to use the acquired							
	knowledge;							
	almost satisfactory (4) - generally, the requirements for the task have been learned, but							
	there is insufficient understanding of some basic concepts, there are considerable							
	difficulties in the practical use of the acquired knowledge;							
	weak (3) - knowledge is superficial and incomplete, the student is not able to use it in							
	specific situations;							

	very weak (2) - is superficial knowledge only about certain problems, most of the task				
	requirement is not learned;				
	very, very weak (1) - there is no understanding of the basic problem of the task, there is				
	hardly any knowledge of the topics discussed in the lectures.				
	- The test will be evaluated in the 10-point system. The test will be assessed as passed if				
	the student has completed a practical assignment.				
Abiding by the Academic Ethics	<ul> <li>Students must abide by the academic and research ethics, Vidzeme University of Applied Sciences Ethics Regulations, incl.:</li> <li>study papers must be independently developed;</li> <li>the study work should reference all statements, ideas and data used that have been authored by someone else;</li> <li>appropriate data acquisition methods should be used in the acquisition of data, the research ethics must be respected, empirical data must be collected independently and cannot be distorted or falsified;</li> <li>the examination must be carried out by the student independently, without the use of supporting materials and/or consultations with other students, unless the lecturer states otherwise.</li> </ul>				
	In the event of non-compliance with the academic and research ethics, punishment is imposed in accordance with the ViA Ethics Regulations and the study course must be retaken, unless the punishment is extramarital.				
	Learning Outcomes	The evaluation methods and criteria
