

Strategic planning guide

1. What are your team's primary objectives or interests?
2. What are the criteria for assessing whether you achieve these objectives?
3. What do you anticipate will be the interests and objectives of the other teams?
4. How will you describe the sources of power/influence in your and other teams? What must you consider making your further decisions/actions?

5. What could be the best coalition partners for your organization?

6. What will be your strategies for maintaining your organization's reputation?

7. How will your team make decisions if there is a disagreement within the team?

8. What procedure will take place in decision making process internally and externally (with other teams)? (e.g. purpose and length of discussions with other teams, taking notes, chairing/facilitating/coordinating team discussions, agenda setting and implementing, confirmation of agreements, etc.)

9. Describe the role and responsibility of each member of your team (name, role, responsibility).

Name	Role	Responsibility
